The music world is trembling: Malik Adams doesn’t just break out with *Breakin’ the F Out** – he shatters the entire system! A true world citizen constantly moving between L.A., India, and Europe, Adams launches a sound that wakes up the industry. His debut is not just a song, it’s a manifesto: a fusion of EDM power, pop hooks, and an unambiguous call to break free from all chains.

For this explosive sonic storm, Adams brought in none other than L.A. star producer Eric Sanicola. He also collaborated with heavyweights like GRAMMY winner Trevor Muzzy, hit songwriter Jimmy Burney, and star choreographer Jimmie Surles. Adams is a visionary controlling every step of his art.
